

North Scott Music Boosters

“Helping Lancers Reach the High Notes”

Dear High School Music Student,

Congratulations on your decision to attend a summer music camp. Each year, the North Scott Music Boosters award scholarships to students attending music camps. The Boosters will pay for one-half the cost of the camp, up to a maximum of \$200. In order to receive a scholarship, you must return the bottom portion of this letter with a copy of your camp registration form and proof of acceptance to the camp. A check will be made payable to you, not the camp, upon proof of registration.

The deadline for camp scholarship applications is the last day of school.

Best wishes as you develop your musical talents.

Sincerely,
North Scott Music Boosters
