

# More FAQ's about QSP for the NSHS Band Trip to WDW, FLA!

(enough acronyms for you?)

Are students raising money for the High School Band Department?

*No. They are raising money for their own trip accounts. This means that whatever they earn through fundraising will be subtracted from their individual trip cost.*

Should my son/daughter register online at QSP.com?

*It is highly recommended that they do. Even though they may be using the postcards to reach people, those potential subscribers will most likely go online to purchase or renew a subscription. If your son/daughter has registered, the purchaser will be able to put their name in so they receive credit. It is EXTREMELY easy and painless!*

Is this the only band trip fundraiser?

*No. We sell the Quad Cities Dining Tour Books during the 1<sup>st</sup> Semester, as well as the Music Booster Pizza Sales in September. This is the only one offered during the 2<sup>nd</sup> Semester, which is also providing the 8<sup>th</sup> grade band students a chance to earn money for next year's trip.*

Can funds raised through QSP be applied to their choir trip?

*No. This is a band-specific fundraiser.*

Do we keep track of how much our son/daughter raises?

*No. We keep track of all student account information on a spreadsheet (with regular hard-copy backups). We will get a list each month from QSP with the names of each student that made money, and how much they earned. We will transfer that number directly into their account and keep track of it.*

Will our email addresses be given to third party organizations or publications?

*No. QSP does not release any of that information- it is only used within their own company for our fundraising records.*

Is there a deadline for this fundraiser?

*No. They can work on this fundraiser year-round if they choose!*

What about subscription renewals? Can people renew existing subscriptions through this program?

*Yes. People who currently have a subscription(s) can easily renew through this program.*

What do we do if we need more postcard booklets?

*We have extras here at the high school, and can get more if needed. The more, the merrier!*

Which magazines are included in the catalogue?

*There are 700 of the most popular magazines in America available- you may check online in their catalogue at [www.qsp.com](http://www.qsp.com).*

Are the magazine subscriptions competitive cost-wise?

*Absolutely. The prices listed include savings of up to 90% off the newstand prices!*

Will my son/daughter have to handle any money, go door-to-door, or deliver any products?

*NO! All they have to do is either fill out the postcard booklets and return them to us, register online, and input the email addresses of anyone they think might be interested!*
